Sub: Step down as Executive Vice Chairperson of Cipla Limited (the "Company")

Respected members of the Board,

I would like to inform you of my decision to step down as Executive Vice Chairperson of Cipla due to personal and family commitments. I will continue to serve as a Non-Executive Director of the Company. The effective date for this transition will be March 31, 2024 and I will work with the Board to ensure a smooth transition.

I would like to take the opportunity to thank Dr Y.K.Hamied and Mr M.K.Hamied for their unending support and for putting faith in me to lead the organization. A decade ago they believed that Cipla needed an engaged and active promoter from the next generation to steer and strengthen the Company as we built a world class leadership team, forayed into new geographies and incubated new businesses. Today as I step down from my executive position, I am proud to say that Cipla is strong and resilient and ready for the future.

Cipla continues to be professionally managed and remains steadfast on its future growth path as exemplified by its performance over the recent years.

It has truly been a privilege to have been a part of the growth and transformation of the Company over the last decade. This would not have been possible without your support and guidance and my heartfelt thanks for the same.

Your sincerely,

Samina Hamied
