Mumbai, India, February 07 2018: Cipla Limited (BSE: 500087, NSE: CIPLA) today announced its unaudited consolidated financial results for the quarter ended December 31, 2017. The Company reported quarterly revenues of Rs 3,914 crores, a growth of 7% on a year-on-year basis, with EBITDA at 20.9%, growing 21% on a year-on-year basis. EBITDA margins have been improving continuously driven by cost optimization across all spend lines despite R&D getting stepped up to 7.6% of sales during the quarter. When adjusted for the one-offs during the quarter, the Profit After Tax rose by ~25% on a year-on-year basis. The Company reported healthy growth across businesses in India, South Africa, API, Europe and Sub-Saharan Africa markets.

“This has been one of our better quarters. Key performance metrics look healthy and are in-line with the internal targets we set for ourselves. We are stepping up our investments in R&D which has resulted in approvals for differentiated products in the US”
